

## WELTERWEIGHT CHAMPIONSHIP FINALS AT MACLEOD---"MIKE" MURPHY AND "JIMMIE" MAHONE WILL FIGHT HERE FOR "BUXTON BELT"---GOOD PROGRAM OF PRELIMINARIES--- SAM HEAP BOSS OF RING.

**VICTOR OF FIGHT IN MACLEOD  
WEDNESDAY GETS BUXTON  
BELT---"MIKE" MURPHY AND  
"JIMMIE" MAHONE WILL  
CLASH**

On January 12th for the first time in the history of Macleod the town will stage a championship 12-round boxing bout between the two champion welterweight boxers of Western Canada. This bout will decide the winner of the Buxton belt for which welterweights in the west have been fighting for, for the past 12 months. The final contest will be between "Mike" Murphy of Calgary, and "Jimmie" Mahone of Blackie. These two lads are by no means strangers to the Canadian boxing element and the eyes of all fight fans in the west are centered on this bout to see who can land the welterweight crown together with the handsome belt that is presented by Bill Buxton. Both the contestants are training hard for this fight and according to all reports both boys

are right on the job and each claim they are going to win, that remains to be seen, and Wednesday, January 12 in Macleod will decide the outcome of Western Canada's premier fight contest. Promoter Jack Paulson who has worked hard and untiringly to bring this famous bout to Macleod deserves all the support in the world for managing to bring such a first class boxing contest to the well-known jubilee town. Practically the first town in the west and therefore rightfully having the honor to show the first championship fight in the western provinces.

In addition to the premier attraction a splendid program of preliminary boxing bouts has been arranged. There will be the semi-final bout of six rounds between "Flash" O'Brien of Medicine Hat, the boy who holds the K.O. of "Young" Cowie, Alberta featherweight champion in one round, who will meet "Tommy" White flyweight champion of Wales. This contest alone will be worth the price of ad-

mission. "Tommy" White will be remembered by boxing fans as sparring partner of the renowned Jimmie Wilde. This is White's first fight in Canada and so it can be readily imagined he is out to win.

"Sie" MacDonald, one of Macleod's boxing proteges, will also appear on this bill with an opponent who is going to make "Sie" stop some, although we have no doubt the Macleod lad will take care of his laurels. Another good number is a contest between the Young Brothers, well-known midgelets of Alberta, who created quite a furore in Calgary, Drumheller and other points.

The fight program is without doubt the best produced in the west, and fans from all over have already made enquiries as to dates so that they can be sure of a seat. The seats will be placed on sale at the Rexall drug store in Macleod, two dollars for ringside seats, one dollar and a half for front seats and a dollar for rush seats. The show will take place at the Empress theatre, Macleod, on Wednesday evening, January 12, commencing at 7.30 sharp.

**Sam Heap Will Referee**  
After a real old-fashioned mix-up over the referee for the big fight in Macleod on Wednesday evening next it was finally agreed between both contestants and officials that Sam Heap of Macleod, would be suitable to all parties. Referee Heap has had many years experience in the fistie world having been manager for the famous Al. Ross for two years and also promoted and refereed fights in Canada, America and England. He is on to all the tricks of the game and when Mike Murphy and Jimmie Mahone step into the ring they've got to fight and fight according to rules otherwise the referee is off.

Everything is all set at the Empress theatre for this big "do" next Wednesday and will prove the best boxing program seen in Macleod and district and the first final championship for this belt fought in the west for the welterweight champion title.

Write or phone J. M. Paulson, or the Rexall Store, Macleod, for reservations.

**SPECIAL ANNOUNCEMENT**  
"Jimmie" Mahone who is to meet "Mike" Murphy on Wednesday night at the Empress Theatre, is now in Macleod and completing a strenuous training for his coming battle at the Queen's Hotel where he hopes to see many of his fans and supporters. Just see him go.

### MACLEOD WINS BY BIG MARGIN---DEFEAT STAVELEY IN FOOTBALLS LEAGUE GAME BY 10-4 SCORE

Macleod notched up a big score Friday night in the Foothills league game on the Macleod ice, the Staveley aggregate being their opponents. The ice was in splendid shape, thanks to that veteran iceman, Ernie Ringland, who knows how to make and keep good ice, even in the face of adverse weather conditions. There was a very large crowd of hockey fans present, and they were not disappointed in the brand of hockey the boys gave them tonight. The game was fast and clean until the last few minutes, when some of the boys seemed to get tired and lost their heads a little, but nothing serious. There was a wonderful display of specially good hockey on both sides, and some of the stick work and rushes were most exciting. Townsend scored the first goal for Macleod in the first period, and O'Neill scored the second. These two young players showed remarkable speed and carried off the honors for the Macleod team. G. Bonzyan was the star player for the Staveley team, giving a fine exhibition of real hockey, the score showing two goals to his credit. H. Malchow netted the other two goals of the Staveley score. The final score was: Macleod 10, and Staveley 4. This places Macleod well up in the league schedule, of the games played to date.

The line-up was:  
Staveley---Goal, Allen; defense, Jenkins and Anderson; forwards, Rea, F. Bonzyan, G. Bonzyan, De-rozier, H. Malchow.  
Macleod---Goal, McLean; defense, Dowson and Hamilton; forwards, O'Neill, Dean and Townsend; subs, McDonald, Watchorn and Dillingham.

Referee---Frank Butler.

Rin-Tin-Tin, in his latest Warner Bros. Classic of the Screen, "Below the Line," will be seen at the Empress Theatre on Friday and Saturday.

This dog star heads a cast which includes June Marlowe, John Harrington, Victor Potel, Charles (Heinie) Conklin, Gilbert Clayton, Edith Yorke and Taylor Duncan.

"Rinty's" role is that of a vicious dog who has been brutally trained for pit-fighting and who has never known love or kindness from his master. Donald Cass (John Harrington) and his pretty sweetheart, May Barton, (June Marlowe) befriend him, and, through affectionate training, the dog becomes a brave and loyal friend.

When Jamber Niles (Pat Hart-

igan), the village bully, attacks and steals the jewels of a wealthy young woman, who is visiting the village, it is "Rinty" who brings him to justice. He again proves his courage when "Cuchoo" Niles, Jamber's brother, (Victor Potel) loses a pack of bloodhounds, who pursue May and Donald, and "Rinty," in a terrific fight, protects the girl as boy from death.

Charles (Heinie) Conklin has the comedy role of the deputy sheriff, and Edith Yorke plays the frail, appealing mother of Donald. The remainder of the cast includes Gilbert Clayton and Taylor Duncan.

## ANNUAL BOARD OF TRADE MEETING AND DINNER

The Macleod Board of Trade issues a general invitation to the citizens of Macleod and farmers of this district to attend the annual general meeting and dinner arranged for next Monday night, January 10th at 6.30 o'clock in the Palace Cafe, at which the President, Dr. O. P. Farnet will review the work of the Board for the past year, and the election of officers for the ensuing year will be held, followed by speeches by Mayor J. W. McDonald and W. H. Shield, M.L.A.

The following points define very clearly what a Board of Trade stands for and the benefit such an organization can be to a community:

**A Board of Trade**  
1. Insures discussion of any question affecting a community and secures opinions from different viewpoints.

2. Recommendations are made to municipal and legislative authorities that are well thought out and deliberate opinions.

3. Provides better understanding amongst members of a community so that any action taken may have combined backing rather than individual effort.

4. Many questions cannot be dealt with by a municipal council, whilst duties are precisely defined, whilst the working of a Board of Trade need not be confined to any jurisdiction.

5. A Board of Trade is always an advertisement for a community by providing information relative to the district.

Our business men as a whole have given their support to our Board of Trade, yet some have not answered the call as readily as should be. Especially to those an invitation is extended to be at the annual meeting. It is every person's duty to take an active part in the welfare of the community in which they live, and this being the work of the Macleod Board of Trade, every citizen interested in the progress of Macleod should take the proper steps to appeal to themselves. We would remind our readers to keep this date and time open.

# THE MACLEOD TIMES AND MACLEOD WEEKLY NEWS

S. Dillingham, Editor and Publisher.  
A weekly newspaper printed and published at Macleod, Alberta every Thursday.

THURSDAY, JANUARY 6th, 1927  
ECLIPSE PROGRAM FOR 1927  
ANNOUNCED

Montreal, Jan. 4.—Three eclipses of the sun, two eclipses of the moon and the transit of the planet Mercury over the sun's disc are all included in the program of the year 1927, states Professor A. J. Kelly of the McGill observatory. Virtually at the beginning of the new year, the first eclipse of the sun was observed yesterday in the Southern Pacific ocean.

On June 29 there will be a total sun eclipse visible in Great Britain and Norway, while on December 24 a partial eclipse of the sun will be visible in the southern seas.

In addition there will be two total eclipses of the moon. One of these,

taking place on June 15, will appear first in the Atlantic ocean with its pathway extending through North America. The second total eclipse of the moon, on December 8, will be seen generally in Australia, the Indian Ocean, Asia and the northern part of North America.

Another phenomenon occurring this year is the transit of the planet Mercury over the sun's disc on November 10. This will not be visible in North America.

## POOL NOTES

A number of British Columbia wheat farmers on the Canadian National line to Prince Rupert have joined the Alberta Wheat Pool. Samples of wheat from this part of B.C., received at the Pool office in Calgary, are of excellent quality.

Andrew Babink, a well-educated and progressive Ukrainian, is now studying Pool methods at the Head Office of the Organization. He will later take up field work among the 65,000 Ukrainian farmers in Alberta to encourage as many of them as possible to join the Pool. Mr.

Babink's headquarters will be at Vegreville.

Financial men in the Dark Tobacco district of Kentucky estimate the growers lost ten million dollars since the Pool went out of business there. The Dark Tobacco Pool failed because of intensive onslaughts by the Tobacco Trade. Over-grading and poison propaganda were the methods used.

The final estimate of the wheat crop of the three prairie provinces is 371,316,000 bushels.

The republic of Poland, through the consul at Montreal, has made enquiries from the Alberta Wheat Pool as to operation and organization of the pool.

The January meeting of the Board of Directors of the Wheat Pool will be held in Edmonton during the annual convention of the U. F. A., January 18th to 21st, 1927.

To find a man's origin, get him excited. Then he will use the grammar of his boyhood.

As a Magician Mr. Johnston stands in a class by himself and is the most entertaining of modern Magicians, the illusions etc. by the company together with the marvelous Madam Muriel will send you home wondering how it can be done for such a cheap price, but the way it can be done is to pack the show house to the doors each night and that is just what we expect you to do during our engagement.

Madam Muriel the woman who knows! In the most amazing act ever presented, as the possessor of one of the rarest gifts known to humanity, that of being able to know, foretell and solve mysteries and in other ways go beyond the limit of the average brain. ## RIN-TIN-TIN

Rin-Tin-Tin, the wonder dog of Warner Bros. Classics of the Screen, at the Empress Theatre Friday and Saturday in "Below the Line," is a German shepherd dog, popularly known as a police dog. He was born in the advance zone of the A. E. F. in France in 1918, and named after Rin-Tin-Tin, one of the "lucky dogs" of the war. He was adopted by Lieut. Lee Duncan, who brought him to the United States and trained him. His starring pictures have been "Where the North Begins," "Find Your Man," "The Lighthouse by the Sea," "Tracked in the Snow Country" and "Below the Line."

## DISILLUSIONED

Two young couples went to the Lake District for their honeymoon, and happening to stay in the same hotel they quite naturally grew rather friendly.

Six months later the husbands happened to run against each other in the city, and they entered a restaurant for lunch.

"How's your wife, old chap?" asked one, when they had ordered their food.

"She's an angel!" answered the other enthusiastically.

"By gum!" exclaimed the first.

"You're lucky. Mine's still alive!"

Gentleman (sampling liquor)—I'll bet somebody changed the bottle on this label!

The rich have one advantage. They can handle five or six easy-payment plans at once.

# BUY AT HOME SPEND YOUR MONEY IN MACLEOD

Purchases representing thousands of dollars are lost to us, to our trade, to our clerks and employees, to our laborers and artisans, to all the people of Macleod who exist on the products of their work. This money, if spent at home, would help to recreate Macleod financially, give a wider field of activities in business, would be helpful to every resident of this town.

If we purchased regularly from local merchants, this money would circulate in Macleod in a welcome manner. Our merchants merit our patronage; it is to our interest, and the duty of all of us to encourage the local merchant. He is one of us, he lives among us, he has the right to be encouraged by us, he is anxious to have our custom, and to give us satisfaction. We should under all circumstances give him preference, price for price, quality for quality. And nearly always the price that our local merchant asks is, if we compare the quality, just as cheap as that of the outside merchant.

Never purchase merchandise by catalogues from foreign houses before assuring yourself that you cannot procure the same articles, of the same quality (and frequently of better quality) at the same price from your local merchant.

Efficient service is considered the next essential. This means courteous attention by clerks who know their business, and an obliging delivery service. You are too busy to do our work.

### JANUARY ROD AND GUN

An announcement of importance and of interest to the sporting and general public is contained in the January, 1927, issue of Rod and Gun to the effect that the well known sporting magazine has been accepted as the official organ of the Canadian Silver Fox breeding industry. With the January issue, the magazine has become Rod and Gun and Canadian Silver Fox News and it is announced that each month, the magazine will carry in addition to its regular sporting and outdoor features, a full section of sixteen pages, devoted to the interests of the silver fox and fox breeding industry.

The change is made as a result of the rapid growth of the Canadian Silver Fox Breeders' Association and a desire of the 3,500 members to have an official organ to assist them.

The first Silver Fox section is a very promising one. The special editor, J. R. Barr of Summerside, has presented a good selection of fox news and photographs and the account of the fox exhibits at the Royal Winter Fair, Toronto, is particularly good.

The regular magazine has a very good table of contents for January with stories and articles on hunting, fishing, trapping and kennel and outdoor subjects.

Rod and Gun and Canadian Silver Fox News is published monthly by W. J. Taylor, Limited, Woodstock, Ont.

### EXCALIBUR

From shine of sun on mountain  
 And gleam of oil on lake,  
 From silver light on fountain,  
 King Arthur's sword I take.

Excalibur of courage,  
 Unrusted, ever bright,  
 The mystic sword of Arthur,  
 The symbol of the light!

Oh, sword of Arthur, flashing  
 Across the water blue,  
 How happy is the heart of one  
 Who has recovered you!

—Marion Steward.

The great mystery of life is how the people who fill the streets all day manage to get a living.

Fame! Something you get a short time before the skids are greased for oblivion.

## REACH & COMPANY, Ltd.

GENERAL MERCHANTS—DRY GOODS, LADIES' AND MEN'S UNDERWEAR, BOOTS AND SHOES, GROCERIES, VEGETABLES AND FRUITS.

We are taking stock, the clerks delight and the merchants mortal terror. The past year will be disappointing in every way. The farmers were badly hit. Many could not meet their obligations. They just grinned and made the best of what might have been a tragedy. You could not tell by their faces how badly they were hit. People who never had nerves are entertaining them now. The wind is accountable. It sweeps upon you, it shakes you like a terrier would a cat. It moans and it groans. It hisses like gas exploding from a balloon. Oh! You can't describe the rage and fury of an Alberta storm.

Stop and look at our window as you pass by, all the goods are ticketed in plain figures all during stocktaking. The prices will be marked in aggressive prices. We will put out fresh prices all through the time of taking stock.

The time of saving has gone by—people would rather spend. We used to sell lots of remnants for children's skirts. Now mothers are buying ribbon as the width is wide and long enough for a skirt. Where you used to catch glimpses of dainty lingerie under the skirt—you no longer see it there. They wear it outside, with a bathing suit for protection.

Men's and youths overcoats clearing out for \$5.00, you can make out of one coat 3 beautiful pairs of pants for the boys.

### MACLEOD SOCIETY MAKE MERRY AT FIREMAN'S BALL

The members of the Macleod fire brigade held their annual ball last night in the Hudson's Bay Hall, and was the largest and most successful ball held this season. The firemen always receive a very large amount of support at their annual dance on account of the splendid services they have hitherto rendered to the town, when these services have been called into operation, and also because their annual dance has been noted for being one of the most enjoyable entertainments of the year.

Considerably over 300 persons turned out last night, to show their appreciation of the work of the boys of the brigade, and from all accounts everyone had a most delightful time. The music was by the Gaiety Five orchestra, who as usual provided a high class brand of selections, which were much enjoyed.

A novel feature of this year's dance was a tableau which was staged just as the old year was passing and the new year coming in. Father Time, very aged and frail, appeared at one door of the hall and wended his way to the middle of the hall, then as the midnight hour was striking, Youth, appeared at another door, and full of life and hope and joy, skipped in to meet Father Time and bid him goodbye. Little Dorothy Huntley acted the part of Youth, and her pretty winsome ways and appearance captivated the hearts of all present. She was afterwards presented with a handsome present
